Many thanks to all the cousins for
their contributions to this book.

Eternal gratitude to cousin Ruth
Chambers Little for constant assistance
in the search for Montgomerys

"Other things may change us, but we start and end with family" (quoted from Anthony Brandt in 'Esquire'.)

This is the second family book of branches of the Montgomery families and the Long families. The first book was written in 1980 and contained all of the information about the descendants of my parents, all I knew at that time about the Montgomerys and all about the Longs, my mother's line.

In 1980 I was two years into genealogy, a 'babe in the woods', overwhelmed by the numbers of cousins I'd never met before. In 1990 I'm still amazed at the many more cousins I've found in these ten years. There are many many more branches of this great family. There were more than 1000 names in the 1980 book and there are at least that many more in this one. By the year 2000 there will probably be another 1000 relatives located, and if I were to live forever, I might find we are related to everyone in the world.

Contrary to my declarations in 1980, this present book will probably be the last one. Information will be tabulated, stockpiled and available to anyone who is interested. There is also a huge photograph album chock-full of pictures of every cousin I've seen and some I've just written to. The album is also available for anyone to see. Contributions of pictures are always eagerly sought.

Section I has grown and grown. All of the men have aged ten years and some of the women. The children of a decade ago are now grown men and women with families of their own. This moves each generation back one generation.

The greatest single discovery in this section was the location of Billy Duane Collins, son of Duane Collins. Billy had been taken away by his Mother when he was 4, and she had told him his father was dead. After her death Duane found Billy through the Marines and called him. His family is listed in Section I.

In Section 2, the greatest single tragedy in the last ten years was the death of George Elmer Montgomery on August 8, 1984. He was very special to all of us, and he was my mentor. I had leaned heavily on him during the short years we knew each other. Each time we find a new relative I think how pleased he would have been to learn about another connection. Elmer had researched our roots for years before he even heard of me, and he gave me 99% of the material for the Montgomerys in the first book. He started the tradition of a family gathering every Labor Day weekend, and those gatherings are now continued by his son, Ronnie.

An important member of Section 2 is Ruth Chambers Little. I didn't even know she existed in 1980, and since then she has tracked down our oldest Alexander Montgomery and has proved our line back to ca 1730. We work together, but she has the facilities in Washington, D.C., and she finds the bulk of the necessary information. I would still be in Logan County by myself.

Sections 2 and 3 hold many "fun" parts of these ten years of genealogy. I have found, and people have found me, a pleasing number of contemporary descendants of my aunts and uncles many generations ago. They are 4th, 5th, 6th cousins of mine.

Section 3 has two cousins working on the Longs. Shirley (Mehring) Atkinson, in West Covina, CA, has prepared the book, "Book of Remembrance", containing the descendants of the family of Francis Marion Long and his second wife, Cynthia Sharp. If you are interested in this information I will be glad to help you get in touch with Shirley, my half first cousin, once removed.

Lola (Landreth) Myers of West Jefferson, NC, is preparing a book on the Longs and I will refer any inquiries to her. Lola is my 4th cousin.

THE NUMBERING SYSTEM

Let me repeat the numbering system here. Each section is complete within itself. The oldest pair have no number; each of their children has a number, and each generation after that child adds a letter or a number. All of the descendants of the original child in each section will carry his number as the first number of his own. Example:

James Whitten and Caldonia (Long) Montgomery

- 2. Bertha Montgomery Padgett
- 2a. Roberta Padgett Bennett
- 2al. Marlene Bartlett Major
- 2ala. Leslie Major Mackey
- 2alal. Shane Mackey

Bertha was the second child of her parents. Roberta was Bertha's first child, as are each of the others.

THE COUSIN SYSTEM

And I must repeat the cousin system also. I use the method of referring to a cousin from another generation from my own "removed". The first thing you do when you are determining a relationship is to find your common ancestor. If you and your prospective cousin have the same number of generations down from this common ancestor, then you will be cousins. If one of you is short a generation, or long, your relationships will contain the word "removed". I'll explain this again in Section 2, when I tell you about Mark Twain.

MEGA RELATIVES

Look at it this way. Everybody in Section 1 (my parents' family) is related to everyone else in Section 1. Everybody in Section 2 (the other Montgomerys) is related to everyone else in Section 2. Everybody in Section 3 (the Longs) is related to everyone else in Section 3. And, as if that weren't enough, everyone in Section 1 is related to everyone in Section 2 and Section 3. Everyone in Section 2 is related to everyone in Section 1. Everyone in Section 3 is related to everyone in Section 1. Countless relatives and we are

far from finished finding all of them out there.

INDIAN STORY CONTINUED

One of the purposes of starting on the genealogy trail was to track down the Indian on my Mother's side. In ten years I have not found him, but have found the couple, one of which is half Indian. Valentine Brown married Polley Ross in Wilkes County, NC on November 25, 1825. They were both 20 at the time. They lived in Grayson County, VA, Smyth County, VA, and Morgan County, KY. I expect they are buried in Kentucky somewhere. Their daughter, Rhoda Elizabeth Brown, married James H. Robinson. Rhoda was born in 1835 and was still living almost to 1920. I have a picture of her holding a child who was born about 1916.

I am looking for the record of an Indian who probably worked hard to hide that record. Not an easy task. I have placed queries in newsletters in NC, VA, and KY, and will continue to do so. Someday, someone will read one and contact me.

Another Indian possibility -- one of my genealogy friends is searching for the name Mills in Claiborne County, TN, for her Indian connection. My great grandmother was Barthena Mills in Claiborne County, TN, who married Alexander Montgomery. Another well hidden record.

And another Indian reference -- One of the Long descendants wrote an article about the Longs in which he speculated there might have been Indian blood in the early Longs. Another place to look.

ANOTHER COUSIN

My church in Denver, Christ Church United Methodist, has a minister, a student minister, and, often, several retired ministers. I overheard one of the retired ministers, the Reverend John Brooks, mention he was going to Tennessee for a visit, so I asked him where. Imagine my astonishment when he said "Claiborne County." You will see by the index

how many Brooks's have married into our family. We searched and never made a connection, but always called each other 'cousin'. His wife, Fyanna had Spencer in her background, another family name in the Longs. They are both gone now.

THE COVER

Basically this is the same as the 1980 book, a reproduction of the topographic map of the area in Tennessee where our ancestors lived. The area of Alanthus Hill was inadvertently left off, and is now back. This is the place for the first homestead. The house is still there but has been overcovered with a new house.

Ruby's grandchildren are the same number as in 1980 -- seven. They are teenagers now and will be marrying before I get my eyes blinked.

Herbert's Raymond Montgomery has added a grandson:

In 1980 the three children of my sister, Bertha, were living in Colorado Springs. In 1990 there are three widows, two in Colorado Springs and one in Garden City, KS. And this is as good a place as any to mention there is a type of diabetes that is inherited through the women of the family

and comes from Bertha's mother-in-law, Jessie Ann Frazier Padgett. It needs to be watched.

Bertha's daughter, Roberta (Bobbie) Bartlett, Bennett, lost her husband, J. R., on May 19, 1983. Bobbie moved to Oregon to be near her daughter, Marlene Major, and has returned to Colorado Springs, Marlene returning with her. Bobbie had one great grandchild in 1980, now she has six.

My sister, Alice, died in 1972 not knowing where her first grandson, Billy Collins, was. How happy she would be to know that he is back in the family. He is now married to Terrie Lorian Freneau. Billy and Terrie live in Sterling, VA.

Gerald Lee's son, Rick Collins, was married to Angela Lynn Troxel on July 1, 1989. They live in Newton, KS. I was not able to attend the wedding, so they have sent me a video tape of the rehearsal and the wedding. I cry at weddings and was very dewey-eyed after viewing it. I'm so glad to be living in this modern world where video is a part of our lives.

The family of my brother Bill has not changed very much in the last ten years. Bill's son, Don Montgomery, is bracing himself for my move to his territory. More about that on the back page.

Don's son, Donnie Montgomery, works at the bank in Tipton, KS, and seems to be active in everything in the town. He married Virginia (maiden name Long -- we plan to work on that soon). Virginia is principal of the local high school.

Don's Colleen Hancock, lives in Inman, KS. Her two children are in high school, and Heather has made the trip to Topeka every year with her basketball team for the state finals.

Bill's daughter, Fran Qutermous, remains in California, and has survived the earthquake of 89. Her three boys live near her. Her Mother, Orpha, also lives with her, having celebrated her 81st birthday in 1990. Fran's oldest son, Michael Qutermous, has been active in the Scottish highland games, caber tossing, etc.

SECTION 2

In 1980 Section 2 was filled with all the information I had on the rest of the Montgomerys. It soon became apparent that whole families were missing. The first part of this section will place those families, descendants of my aunts and uncles, into proper perspective.

After that we will examine the background for all of us, those ancestors who came to this country from overseas, raised families, moved the families west, fought in every war, and left their mark on the world.

In the first book we started with:

Children of Hugh and Rebecca (Overton) Montgomery

- 1 James, born January 19, 1809, in Kentucky
- 2 Rachel, born March 13, 1811: died October 7, 1931
- 3 Alexander, born 1813, Tennessee
- 4 Mary, born ca 1816; married Landon Carter Minter
- 5 Hugh, Jr., born 1821
- 6 Rebecca, born ca 1825; married Samuel Lemar
- 7 Bettie (Lizzie), born ca 1827; never married
- 8 Lucy, born June 8, 1829; never married

We have not yet found a descendant of James. Elmer had had correspondence with Mrs. Rebecca Browning Dickenson, but if alive, she is no longer living in Lebanon, VA. More work will be done on this line.

Alexander Montgomery is our line and we have many whole families which were missing in 1980. Each of the clan gatherings in Lee County, VA, has introduced me to dozens more of my cousins. They are friends now as well as relatives, and here are some of them.

Alexander Montgomery married Barthena Mills. Barthena's sisters were Betsy, who married Jerry Henderson, and Orlena, who married Beverly Bagwell.

Alexander and Barthena Montgomery's children were:

- 3a William, born June 16, 1842
- 3b Nathaniel, born 1845; died young
- 3c Hugh, born 1847; deceased
- 3d Mary, born 1849; never married
- 3e Henry Clay, born 1852
- 3f George Washington, born 1854
- 3g Augustus, born 1857

3a William Montgomery was born June 16, 1842. He married Nancy Manning, who was born December 6, 1942.

- 3a1 Dale Alexander, born 1866

- 3a3 Martha Jane, born June 10, 1870
- 3a4 Mary E., born June 10, 1870 (twin)
- 3a5 Sarah Alice, born 1873
- 3a6 Matilda, born 1875
- 3a7 Thomas Tipton, born October 20, 1878

My Uncle Dale married Mary Elizabeth Clarkson and they had 15 children.

Turney was Uncle Dale's oldest child, my cousin. This is Myrtle's father. Turney and Florida Daniels had nine children, and Myrtle, Dorothy Fletcher, and Chester are still with us. Rosa Ely died in 1986, and Delora Steadman died March 17, 1987.

Delora attended every gathering until her death and was certainly a friend. Chester attends all the gatherings and has helped with our search for roots. I have met three of Rosa's children, Billy Ely, Betty Swanson, and Kyla Robertson, and hope to see them again.

Myrtle has three more grandchildren since 1980. Her son, Ronnie Montgomery, has Julie Anne, born November 14, 1981. Myrtle's son, George Montgomery has Justin Bryan, born September 12, 1983, and Jennifer Elaine, born June 24, 1986.

Myrtle's daughter, Sandra, is now married to Bob Parks and they live at Ewing.

Myrtle's sister, Dorothy Fletcher, has two daughters, Linda and Cathy.

Myrtle's brother, Chester has Patricia and Chester Lee.

Uncle Dale's second child was Elondus (Lonnie), Elmer's dad. Lonnie married Birdie Schackleford and they had five children. Only Ollie Elizabeth (Montgomery) McHargue survives. I met Ollie at one of the gatherings and hope to see her again. I met Flossie at Rose Hill and then visited her and husband, Bud Rose, at their home in southern California. She loved plants and gardening as much as I do. Her death on February 6, 1989 was so sad; I was lucky to have known her. Elmer's death on August 8, 1984, made me stop and realize how much my life had been enriched in those five short years that we communicated with each other.

Dale's third child, Robert Patterson, married Cornie Loftice. They had 13 children. Their son, Hoy, and his wife, Louise, have been good friends ever since they came to Colorado to visit Louise's brother, Bob Whitt. I've met more than half of this family, and their Mother, who died January 18, 1990, at age 90.

The family was printed in its entirety in the 1980 book, complete with two glaring errors of my making. Here is the update and the corrections.

Starting right off with an error, Earl and Margie have two children, not three as I listed in the 1980 book.

Children of Arthur Earl and Margie (Saylor) Montgomery

3alc2a Jim, born June 18, 1947; married Shirley,
born July 6, 1948

3alc2b Janet, born March 29, 1949, lives in Florida

Walter's widow lives in Lansdowne, PA. Their daughter, Carol, married Al Mongrandi December 16, 1989, and they live in Chester, PA.

Robert lives at Rose Hill, VA and is retired from Western Electric.

Clyde's wife, Verlyn Womack, died in July of 1989. Clyde lives with his stepson, Kenny Womack, in Doraville, GA. Clyde is in poor health.

Roger was another of my errors -- I tried to give away her son, Edward. Not true, Edward is the son of Roger and Madeline. Hoy took me to their lovely home in Prince George, VA in 1981. Roger died November 14, 1986, and Madeline continues to live at Prince George. Edward graduated in 1989 from William and Mary College.

Arvel's widow, Leigh, lives in Washington State with sons Dale and Thomas. Son Rick lives in Charlottesville, VA.

Elizabeth and her husband, Bernard McIntee, live in Bel Air, MD. Their daughter, Diane, married Mike Wollnofer and they have a son Jeffery. Their son, David is married to Terry and they have a daughter, Kristen and a son, Sean.

Hoy and Louise were living in Baltimore when I visited them in 1981. Hoy introduced me to everyone related to us. They now live in the Atlanta area, Duluth. Hoy works for AT&T in Norcross. He plans to retire in May of 1991, and they will move back to Rose Hill. Their girls live in Maryland. Kathy works for CIGNA Insurance Company in Silver Springs. Cynthia works for an attorney in Pasadena, MD. Joyce married Randy Underwood in 1982 and they live in Pasadena. They have two sons, Christopher born August 12, 1986, and Eric, born September 11, 1989.

Billy and Martha live in Maryland. Billy has retired from the State of Maryland and now works for CONSERVCO Insurance Company, as a rehabilitation consultant.

Their sons, Lee and Charles are in College.

Dora lives in Bel Air, MD, and is married to Ed Martin. Her son, Todd Cole, has graduated from the University of Virginia and works in Virginia. Steven Cole works in Maryland.

Minnie Leola and Frank Dezarn now live in Pittsburgh, PA. Their two children, Brian and Susan live with them.

In 1980, all I had about Uncle Dale's fourth child, William Alexander Montgomery, was that he was born in 1891. We drove past a Montgomery grocery store on our way to meet Elmer and Myrtle on our very first trip to Lee County. At that time I wasn't accustomed to finding Montgomery relatives on every corner, and we didn't stop. Hoy took me to meet Henry and Juanita, and Howard and Ann. Juanita has spent many hours compiling the information on this family.

3a7 My uncle Thomas Tipton Montgomery's family was in the first book. Since then I've met most of his grandchildren and have seen them often at the family gatherings.

Our cousin, Dora Brooks, had a family gathering in the fall of 1982 in Indiana, and the Indiana members of this family were invited. The youngest member, Vicky Ann, was in the hospital at the time and none of them were able to join us.

The fifth child, Fred, is now married to Shirley Hensley. They live in Knoxville.

Bill, the sixth child, has a grandchild but I do not have its name.

The eighth child, Judy also has a grandchild and I do not have its name. Judy is now married to Larry Hammons.

The ninth child, Kathleen, has twins who are now teenagers. In their last picture their hairstyles were different from each other.

Max, the tenth child, had died before the first book, but I didn't get it in. He died November 13, 1976.

The best way to tell you about Vicky Ann is to start from the beginning.

5h George Washington Montgomery was born September 2, 1879, in Hancock County, TN. He married Mattie Elizabeth Chandler, the daughter of John and Luellah (Vaughn) Chandler. Mattie was born July 24, 1884, in Wauxachachie, TX.

George went to Texas as a young man, leaving home because he had witnessed a murder and his life was in danger. He rode in the coal car of a train whose engineer knew him, and was passed from train to train until he reached Texas. He worked for John Kiker Chandler, and took a fancy to the daughter, Mattie. She was also being courted by Archie Miller. George asked Mattie to wait for him for one year, and if he wasn't back in a year for her to marry Archie. George went to Oklahoma in 1902 and filed on a homestead in the Oklahoma Territory (In Grand or Day County). The county was renamed Roger Mills in 1907.

George built a 2-room dugout and went back to Texas and married Mattie Chandler June 14, 1903 in Seymour, TX. The next day they left by wagon for their new home. All of their children were born there. He built a 2-story home on the highest hill in 1909 which burned on December 29, 1934, destroying a world of history in the form of letters and pictures. George died November 30, 1946, and Mattie died July 5, 1972.

On June 17, 1937 Losson and a friend, Ralph Collins, stopped by the George Montgomery wheat field looking for work. George sent them to the house for a meal. In the afternoon they were put to work with the threshing crew. After the wheat harvest was over Losson and Evalyn began dating and married at the end of the summer. They worked as farm laborers all over Roger Mills and Beckham Counties. Every fall Losson would take the children to the cotton field. They could pull a bale of cotton a day. Schools turned out in the fall so the children could help harvest the cotton.

On April 4, 1948 they loaded the family of nine children into a 1942 Ford Sedan, and Evalyn's mother, Mattie, and said goodbye to Oklahoma and headed for Washington State. They towed a two-wheel trailer which contained everything they owned. They were 5 days on the road. They worked for six years at White Salmon, WA, Losson in the woods, and the children in the orchard. Three of those years Losson and his brother, Seaborn, bought and operated a saw mill. On September 3, 1954, they again loaded the

trailer and moved to the Winston-Dillard, OR area where their children finished their schooling, married and raised their families.

This completes the records for all the folk in Sections 1 and 2, updating those we knew and adding all those we missed in 1980. Section 3 will follow after this next section, called Section 2XXXXX, all about all the folk Ruth has found to belong to us.

In 1980 Hugh Montgomery was our oldest ancestor. We suspected that his father was Alexander Montgomery of Logan County, KY, and now we know this to be fact.

There were seven children in this family and we do not know the sequence. Hugh was born in Virginia so we think he was among the older ones. They were: Alexander, Jr., Mary (Polly), Betsy, Naomi, Sarah, William.

Hugh's brother, Alexander Montgomery, Jr., lived in Logan County, KY, and married Judith Barnett, widow of Richard Barnett. They had two daughters, Elizabeth (Betsy) and Mary (Polly), and then Alexander, Jr., died, some time before 1810. Judith was listed in the tax records in 1810, and thereafter. Betsy, born ca 1803, married Greenberry Simmons, and Polly married Phillip W. Martin.

Now here is one of those times in the last ten years when this search was downright fun. I had despaired of ever finding a line on those two girls, born in the early 1800's, and who of course gave up the Montgomery name in marriage. I had placed a query in the Kentucky Historical Society newsletter, and after Christmas in 1985 I got a letter from Jean Taylor starting with, "I do believe you are barking up my tree." She descends from the second daughter, Polly.

Mary (Polly) Montgomery, born probably in Kentucky, married Phillip W. Martin, in Logan County, KY. Nine of their eleven children were born in Adams County, IL, and the last two were born in Sullivan County, MO. Their daughter,

Elizabeth Martin, born 1828/29, married John Wren in Missouri. About 1863 the Wrens moved to California, settling in Madera. They had seven children. Their youngest son,

Leander Owen Wren was born in 1866. He married Mary Dunn. They had six children. Their daughter,

Dora Beth Wren, born 1893, married Blaine L. Stevens. Their daughter, Jean Stevens Taylor, lives in Rochester, WA. Jean and I are 4th cousins, once removed.

Hugh's sister, Betsy Montgomery was born in 1788. She married Willis Blanchets on November 25, 1806 in Logan County, KY. The name was changed to Blanchard, but we have not found a descendant from this marriage.

Hugh's sister, Naomi Montgomery, was born in Kentucky in 1792. She married William Rools (Ralls), in Logan County, KY, February 5, 1812. William was the son of James and Agnes (Simmons) Ralls of Franklin County, NC, and later Stewart County, TN. William and Naomi had eleven children: John, Morgan, Greenberry, William, born in KY, Robert, Alexander, Permelia, Mary Jane, Sara, Cantly, Louisa, born in what later became Marion County, MO. This information was sent to me by Stephen Ralls, a contemporary descendant. His name came to me from H. Edward Montgomery of Lancaster, KY. We have not proved a relationship with H. Edward, but he was a big help. Naomi's line continues:

William Ralls, Jr., son of William and Naomi Ralls, was born in Kentucky. He married Catherine Cockrum in Scotland County, MO on March 2, 1842. Their son,

Morgan Ralls married Mary Elizabeth Graham in Washington County, AR, on November 29, 1869. Their son,

William Riley Ralls married Mary Genevieve Wilcock in Sacramento, CA on June 5, 1905. Their son,

Walter Elwood Ralls married Janet Tapley in San Jose, CA on July 10, 1945. Their son,

Stephen Alden Ralls married Laura Marie DiMicco in Bell, CA on January 14, 1972. They have three sons, Stephen Alden, Jr., John Walter, and James William. Stephen is retired from the navy, has two degrees, D.D.S., and E.E.D. They live in San Diego, CA and expect to move to the East coast. Stephen and I are 4th cousins, once removed.

Hugh's sister, Mary (Polly) Montgomery, born October 25, 1793 in Logan County, KY, was married to James McConnell Morton in Logan County, KY on March 6, 1810. They had twelve children. Their first child was born in Logan County, KY, and the family moved to Spencer County, IN.

Their last two children were born in Vermillion, IL. James and Mary were buried in Green County, WI. Their daughter,

Elizabeth Morton married William Hackworth on June 29, 1928 in Spencer County, IN. Two of their ten children were born in Spencer County, IN, four were born in Vermillion, IL, and four in Green County, WI. Their daughter,

Susan Elizabeth Hackworth, born May 14, 1836 in Vermillion, IL, married Levi Whitehead. Their son,

Charles Edward Whitehead, born December 11, 1855, in Green County, WI, married Rhoda Cathryn Frame on September 22, 1877, in Green County. Their daughter,

Blanche Sophia Whitehead, born July 7, 1880 in Green County, WI, married George C. Roderick on October 3, 1906. Their daughter,

Frances Rockerick Johnson lived in Dayton, OH.

I had considerable correspondence with Frances. She made application to the Daughters of the American Revolution (DAR) and was accepted on the basis of Mary's father, Alexander Montgomery. Ruth has never found any evidence that Alexander served in the Revolution. His first child was born about 1784, and he might have been too young to serve. Whatever. Ruth found Frances in the DAR records. Frances' death on January 21, 1987, was a sad ending to the great letters she had written to me.

Hugh had a sister, Sarah, who probably never married.

Hugh's brother, William Montgomery, married Rebecca Simmons in 1819. The 1850 census record shows them living in Shelby County, MO, with children - John, born KY, Robert, William, Hugh, Elizabeth, all born MO.

And now, back another generation.

Hugh Montgomery was the son of Alexander Montgomery who died in Logan County, KY in 1816. Alexander's wife was Mary (Polly). Alexander was living in Washington County, VA, when his father, John Montgomery, died in Amherst County, VA in 1784. John willed his son, Alexander, the

land he was living on. Alexander moved to Sumner County, TN, and was in Logan County, KY by 1793.

Alexander's brothers and sisters (again no knowledge of sequence), were: William, Joseph, John, James, Nathan, Ann, Mary. (you will notice as this continues, every family has a William, John, James, Alexander. What a way to confuse the records!!!)

William Montgomery was born in 1757. He was called black-headed Billy to distinguish him from the other Williams. He married his cousin, Elizabeth Montgomery. He was willed land in Washington County, VA by his father, John. William fought in the Revolutionary War and died in 1832 in Marion County, MO.

Joseph Montgomery married Jane Woods, daughter of William Woods, and granddaughter of Samuel Woods, one of the earliest settlers on Rockfish River. (Ruth and I saw the graves of the Samuel Woods at the Rockfish Presbyterian Church). Joseph was willed 215 acres on Buck's Creek in Amherst County, VA by his father, John.

John Montgomery was born in 1762, in Amherst County, VA. He married Mary Morrison on June 3, 1780. He fought in the Revolutionary War, lived in Amherst County until 1789. His father had willed him land on the Paint Lick Creek in Kentucky and he died in Adair County, KY.

James Montgomery married Sarah Dozier on June 27, 1785. She was the daughter of James and Martha Dozier of Madison County, KY. He was willed land in Kentucky by his father.

Nathan Montgomery was born 1764. He married 1, Elizabeth Lawson, and 2, Floreda 'Floss' Miller. He was on the board of commissioners and also sheriff of Adair County, KY, where his father had willed him land. He died there in 1835.

And then there's Jane. Jane Montgomery married Col. William Casey. Their daughter, Margaret Casey, married Benjamin Lampton. Their daughter, Jane Lampton, married John Marshall Clemens, and their children were Orion, Pamela, Pleasant, Margaret, Benjamin, Samuel Langhorne, Henry. Samuel Langhorne Clemens was better known as Mark Twain. Ruth and I are 4th cousins, twice removed to Mark Twain. We have not met any descendants from this line.

Ruth and I are 4th cousins, twice removed to Mark twain
 Ronnie is 4th cousin, 4th removed to Mark Twain
 Ruth and I are third cousins. We are both third
 cousins twice removed to Ronnie.

Page 76 carries the explanation I promised you on page 3.

Mary Montgomery was born 1726. She married Robert Barnett who was mentioned in her father's will. Robert died in Virginia in 1787 and Mary died in Kentucky in 1808. I had the pleasure of meeting Thelma Murphy when I visited in Indianapolis, IN, in October of 1982. Thelma was listed in both editions of the Register of Montgomery Family Researchers by Austin H. Montgomery, late of Morgantown, WV. At that time Thelma did not believe we were related, though she said my description of myself in my letter, matched her description of herself. We met in the dining room of the hotel and recognized each other immediately.

Ruth, however, persevered, spent countless hours in the archives in Washington, D.C., and sorted out our Alexander, proving we have the same ancestor as Thelma. Here is Thelma's line. We are 6th cousins, once removed.

Mary Montgomery was born 1726. She married Robert Barnett. Their daughter,

Jane Barnett, born 1748, married Alexander Barnett. Their daughter,

Rebecca Barnett, born 1776 in Kentucky, married James Baird. Their daughter,

Rachel Baird, born 1804 in Kentucky, married Thomas Alexander Barnett. Their daughter,

Abigail Barnett, born 1828 in Kentucky, married John Graham. Their daughter,

Rachel Elizabeth Graham, born 1854 in Kentucky, married Leander Murphy. Their son,

Chauncey Conger Murphy, born 1892, married Mabel Johnson. Their daughter,

Thelma M. Murphy lives in 1990 in Indianapolis, IN.

Alexander Montgomery, Jr., married Martha Walker. He lived in Orange County, NC until 1769, then moved with his family to Washington County, VA, near our own Alexander. This was also near his wife's parents, John and Ann Houston Walker.

The area where they settled later became Russell County, VA. Alexander, Jr. and Martha had seven sons: Alexander, John, Michael, Phillip, Joseph, James and William. It is not known if there were any daughters.

Their sons, Alexander and John, were among troops at Moore's Fort in Russell County in 1777. They were called upon to protect families when they moved into the fort to escape Indian attacks. Daniel Boone, the noted pioneer and Indian fighter, was in command of Moore's Fort at this time. Both Alexander and John received pensions for serving in the Revolutionary War.

Alexander and John moved with their families to Kentucky ca 1816. Alexander died in Floyd County, KY ca 1831, and brother John died in Peoria County, IL in 1845. John married first his cousin, Susannah Walker. Their children were Alexander, Anne, Samuel, John, Jr., Martha, Joseph, Jane and Margaret. John married second Elizabeth Harris and they had daughters, Susanna and Sarah. Elizabeth, widow of John, died in 1846.

We have no contemporary descendant from this line.

Anne Montgomery, often called 'Nancy', married William Edmondson (sometimes spelled Edminston). They moved to Washington County, VA where they built a beautiful two-story log home on the Middle Fork of the Holston River in 1769. This house, having withstood the ravages of time, has recently been moved from its original site and restored by Dr. Ashworth of Emory, VA. The Edmondsons were neighbors of Nancy's brother, William Montgomery and family. Prior to this Edmondson's move to Washington County, William was an officer in the French and Indian War.

In the 1770's Colonel William Edmondson and several sons answered the call for volunteers at Kings Mountain. Three sons were killed and one wounded in this battle which historians mention as the turning point of the Revolutionary War. Colonel Edmondson received 2000 acres in Washington County, VA, for his service in the French and Indian War. Fincastle County records mention the location of the 2000 acres as being on the Holston River.

No contemporary descendant on this line either.

Elizabeth Montgomery married William Maxwell. No descendants yet.

Michael Montgomery was born in 1748 in Orange County, NC. He died in 1820 in Caswell County which was formerly Orange. His estate settlement in April Court 1820 listed wife, Jennett, sons Alexander and James, daughters Elizabeth Montgomery and Mary Howard. Also mentioned was Thomas Gunn, administrator, probably a relative of Michael's wife, Jennett. Nancy Newland, descendant of Jane, spells Michael's widow's name Jane Quine. An inventory of Michael's estate indicated that he owned not only the necessities but items such as paper money, gold, old book accounts, nice furniture, etc.

Michael was known as Michael, Esquire, being a lawyer and "Head Justice" of the Caswell County Court for many years. He was buried by Rattlesnake Creek which flows through the plantation owned by his parents, Alexander and Mary Montgomery, as early as 1759.

No descendants.

Jane Montgomery was born in 1749. Ruth and I didn't even know her name -- she was not named in Alexander's will. One day I got a letter from Nancy Newland in Ogden, UT. What a glorious day that was, she isn't sure where she found my name, but thank goodness she found it. She and husband Dan have visited me in Denver, and I spent many hours in the Salt Lake City Library with her on my last trip out there. I mentioned her in the front of the book with her story of the Maxwells. Here is her line.

Jane Montgomery was born ca 1749. She married Edward Maxwell and they had 9 children in Orange County, NC. They moved to Caldwell County, KY. Their son,

David Maxwell was born 1790. He married Ellenor Armstrong and their son,

Lowell Maxwell Divinia was born April 22, 1902. He married Alma Alice Diamond who was born April 21, 1905. Their daughter,

Nancy Divinia Newland was born August 2, 1937, in Kansas City, MO. She lives at Ogden, UT, and has written a book, 'Leaves of Bright Gold', the story of the Maxwell family. Nancy and I are 6th cousins.

James Montgomery was born in 1752, the youngest child of Alexander and Mary Montgomery. His will, recorded in 1838, Caswell County, NC, names wife Rebeckah, children, Abraham, Edward, James, David, Rebeckah, Polly Long, Jane Davis, and granddaughter, Sarah Ann Davis.

James was one of the founders of Caswell Academy, a college preparatory school for boys. He left money in his will to the Foreign Missionary Society and the American Tract Society. Several of his descendants became ministers.

One of his descendants, A.D. Montgomery, Jr., in Jackson, MS, wrote to the computer section of Clan Montgomery, and I got his name from them. He has introduced me to several of the descendants of James, and they now follow.

Virginia Way was born December 4, 1917 in Jacksonville, FL. She married William Carlton Chapman who was born February 6, 1914, in Wildwood, FL. They were married

December 28, 1937. They are both still living and reside in Savannah, GA. They have two children, William, and Caroline. Their daughter,

Thus ends Section 2, justifiably longer than the 1980 book. 90% of Section 2XXXXX was contributed by Ruth Chambers Little, without whom the material would not be here.

As I said earlier, our research does not stop with this book. Ruth and I will continue to stockpile and try to tie every Montgomery into our line.

SECTION 3

Section 3 in 1980 contained all the information I had at that time for the Longs, my mother's family. During these ten years I have found several cousins pursuing this family. First we will update the material from the first book, and then proceed to travel backwards into the Long family.

Our first family in 1980 was:

Children of George and Hannah (Wadkins) Long

- 1 Cynthia, born 1850
- 2 John A., born February 3, 1853
- 3 Elizabeth, born 1856
- 4 Francis Marion, born December 17, 1859
- 5 Hiram, born 1862
- 6 Oliva, born 1864
- 7 Columbus, born 1868
- 8 Simeon, born 1871

Here's another error on my part. Cynthia Scott was mentioned in the first book as the daughter of James Scott. Further study indicates her father was Solomon Scott. More about Cynthia and Benjamin when we finish updating the 1980 folk.

Cynthia Long married M.D. Spencer, and they had no children. They reared my mother, Caldonia Long.

I've not found any definitive information for John A. Long. This needs further study.

Elizabeth Long married William Reynolds and they and their descendants lived in Brown County, KS. Their granddaughter, Effie Baxter, Carr, VanHorn, lives in Topeka. Gordon VanHorn has died and Effie lives with her son, Sylvan Carr.

Francis Marion Long's second daughter, my Aunt Lennie, has one remaining child, my cousin, Edna Eakes. She lives in Topeka, the widow of John

Eakes. Johnnie died November 29, 1988. Edna's son, Byron Beasley, was born in Norton instead of Topeka, as I wrote in 1980. Byron died in Santa Ana, CA on December 8, 1981. His sons, Mark and Dirk Beasley, both live in West Germany. His daughter, Margo has married Robert Vajke, Jr. Their daughter, Rachel Vajke, was born October 7, 1988. They live temporarily in Waukegan, IL, awaiting a missionary assignment.

Aunt Lennie's daughter, Rosa, had one child, Wilber Cassidy. Wilber died August 11, 1987.

Wilber and Kathy Cassidy had four children, John David, William Robert, Donald LaVerne, and Patricia Diane. I have an update for Donald and Dorine (Bracamontes) Cassidy.

Donald Cassidy, Jr., is married to Shawna Marie Perrin. Shawna was born August 20, 1972 in Fullerton, CA. Their son is Jeffery Dean Perrin-Cassidy, born (also) on August 20, 1989.

Don's daughter, Dawna Cassidy is planning to marry Steven William Wetton on April 28, 1990. Steven was born December 26, 1968 in Chicago, IL.

Earl Moore's widow, Joan, now lives with her daughter, Linda A'Lurede, in Hesperia, CA.

Stella Curl's son, Richard Curl, now lives in McLean, VA. He is retired from service.

My Uncle Taylor Long remained in Kentucky when his sisters came to Kansas. Taylor's daughter, Sylvia, still lives in West Liberty. Sylvia has taken back the name 'Brewer' which is the name her children have. Her daughter, Reva Benton, has 3 grandchildren. Joe Benton, Jr. and Caroletta have Derrick, born August 23, 1983, Jason, born December 23, 1988, and Craig, born May 23, 1988.

Francis Marion Long had a second family with Cynthia Sharp. This has been well documented by Shirley Mehrling Atkinson, who has prepared a 'Book of Remembrance'. Shirley descends from the first of the second family, Dora Mehrling, and from Dora's son, Leo Mehrling. Shirley lives in West Covina, CA, married to Francis Alfred Atkinson. She has been very helpful in my search for ancestors of the Longs.

With the death of Lloyd Long May 13, 1986, none of the original family is living. Aunt Frieda Long is the widow of Emmett Long. Their family is updated here.

Vernon Long has retired from Sears in Columbus, NE. He has built a greenhouse which makes me very envious.

Vernon's son, Robert still lives in Columbus and owns R.D. Long Construction.

Vernon's son, Bruce lives in Columbus and works in the Columbus School System.

Vernon's daughter, Marsha Kyncl has added two more children. They are:

- 4ile1 Trent Allan, born July 17, 1980
- 4ile2 Adam Garrett, born August 25, 1982
- 4ile3 Elizabeth Christine, born June 16, 1988; died January 1, 1989

Vernon's son, Jeffrey, who was born November 8, 1958, died November 30, 1988.

Aunt Frieda's daughter, Vivian, now lives in Bristol, WI.

Vivian's son, John Anderson, still lives in Chicago and is divorced from Ruth Wilgus.

Vivian's son, Jack (twin), lives in the Chicago area and now works for Wrigley Gum.

Hiram Long, born 1862, is still a mystery. More work ahead of me.

Oliva Long was born in 1864 in Kentucky and married Jasper Newton Campbell. They had one son, James Mortie, and James had two sons, Charles Newton, and James Mortie, Jr. I did not know Charles and Jim in 1980, but have met both of them, and had many years of entertaining correspondence with Charles until his death June 4, 1988 in Ukiah, CA.

Columbus Long and Simeon Long will both be studied some time in the future.

3XXX - This information doesn't take our line back very far, but has several highlights.

The first time I visited Cousin Sylvia (then Leach) in West Liberty, KY, she told me she knew a lady who said her grandfather's name was Francis Marion Long. That is our grandfather's name, but I was fairly certain it wasn't ours. I wrote to her, Ann Gevedon, and later met her. I studied the census records and just couldn't find anything.

Then I heard from Cousin Michele McNabb, who told me Benjamin Long had a second family which included a Francis Marion Long. I cursed my lack of attention, and drove out to the census records to find my mistake. And it wasn't my mistake. The census taker wrote it wrong.

Benjamin Long married Parthena Gevedon, a widow with a daughter. The census taker wrote the name of her daughter and put ditto marks for the three boys. So I never looked at them. Fact is, Benjamin had

Francis Marion, born June 10, 1864, Hiram, born March 1868, and Joseph M., born 1869.

Francis Marion Long (half uncle to my grandfather), had Bowen Long, born October 21, 1895, who had Ann, born April 30, 1925. Anne married Roger Gevedon on January 20, 1949 and lives in rural KY. Ann and I are half second cousins, once removed.

Some of the information which we did not know in 1980 was that Benjamin Long was born in Washington County, VA, which later became Grayson County. He was the 10th of 11 children to William and Caty Long. They seemed to move back and forth to Ashe County, NC. Benjamin, as an adult, came from NC, through the Cumberland Gap and up to Grassy Creek in Morgan County, KY. Old William died in VA.

We will continue to think William came from Germany until it is proved otherwise. Earlier writings said his language was so broken he was hard to understand. I can hardly wait for Lola Myers to get her book into print. Here is her line.

William Long was a captain in the Revolutionary War and the DAR records list his wife as Catherine Surface. He died in 1821 in Grayson County, VA. Their children,

1. Margaret, b 1770, married Frederick Eller
2. William, Jr. b. 1777, married Betsey Elizabeth Howell.
3. George, b. 1780, married Elizabeth
4. Catherine, married Philip Delp
5. Henry, b. 1788, Grayson Co, VA, married Susan
6. Samuel, married Molly Cornett
7. Mary, married John Boyer
8. John, b. 1790, Grayson County, VA., married Celia Delp
9. Betsey, b. September 1, 1791, married Wm. Tolliver
10. Benjamin, b. 1794
11. Lewis

Samuel Long married Molly Cornett. Their son,

Emanuel Long was born 1814 and died 1885 in Grayson County, VA. He married Temperance Lucinda Lawrence. Their daughter,

Elizabeth Malinda Long was born 1841 and died in 1918. She married the Reverend Isaac W. Landreth. Both of the Landreths died in Alleghany County, NC. Their son,

Samuel Stephen Landreth was born 1882 and died 1960. He married Elvira Eunice Moxley who was born 1878 and died 1967. Their daughter,

Lola Lillian Landreth was born in 1907 in Grayson County, VA. She married Riley Bradshaw Myers who was born 1902 and died 1984. They have a son, Rufus Bradshaw Myers, born 1936. Lola is my 4th cousin. She lives in West Jefferson, NC.

William and Caty Long's daughter,

Elizabeth Long married William Toliver. Their son,

Hugh Toliver married Ellen Spurlin. Their son,

William M. Toliver married (1) Lydia June Robinson. Their daughter,

Laura Ellen Toliver married Jefferson Beauregard McNabb. Their son,

Ellis Johnson McNabb married (1) Mary Frances Murphy. Their son,

Herbert Ellis McNabb married Elsie Christine Rasmussen. Their daughter,

Michele Christine McNabb married Ibrahim Nasri Hajj. Their sons are Nasri Andreas Hajj, and Usama Mikael Hajj. They live in Urbana, IL.

Michele and I are 4th cousins twice removed on the Long branch, and 3rd cousins, once removed on the Robinson branch. Michele calls us multiple cousins.

Perhaps the family of Benjamin and Cynthia (Scott) Long should have been listed earlier, since we gave you his second family on page 89. Belatedly, here they are -- Robert, born ca 1820, married Martha Sanford; Solomon G., born February 1821, married (1) Margaret Halsey; Mahala, born 1822, married Eli Phipps; George W., born 1826 (our line); Elizabeth, born February 1831, married Blankenship; John, born 1833; Rosaline, born 1836, married Hiram Stamper; Catherine, born 1840, married Charles Byrd; Noah, born 1845, married Ann Spencer; Isom, born 1848, married Elsie Jane Amyx.

Their daughter, Catherine, born May 21, 1840/41, married Charles Lewis Byrd. Their children were: General Clinton, born July 14, 1859; Cynthia Ann, born May 14, 1864; Rosaline, born February 18, 1867; George Madison, born April 30 1868/69; Isom Bruce, born January 4, 1873; John McConly, born 1877; Beauregard Boone, born September 9, 1861.

Their son, General Clinton Byrd had Stephen Thomas Byrd. Stephen had Vanita Orene Byrd. Vanita had Karin Nixon who lives in Morrow, OH. Karin and I are 3rd cousins, once removed.

I mentioned on page 12 that I am moving to Downs, Kansas. Denver has grown considerably in the 41+ years I've lived here. In the early years I would take a bus downtown at night for shopping or a movie. Now I don't walk a block after dark, even to play bridge.

I had hoped to live close enough to Waconda Lake to see the lake, but found a little house in Downs that is just what I need. Don't know how long it will last, but right now no one locks a door or a car. Since my interests are bridge and plants, I can live there as easily as in a big city. I'm leaving more than 100 good friends and that many more acquaintances, trading them for nearly 100 relatives living in Kansas.

I hope to start an annual gathering there and welcome all of you who care to join us.
